

Company Profile & Values

Improving People, Businesses & Societies

VATIVE COMPANY PROFILE

Vative is an organisation comprising of a group of dynamic and creative thinkers that take an analytical approach to process and operational performance which allows for innovative solutions according to customers specific needs. The Vative core team consists of individuals that are dedicated to developing superior systems and processes. Vative have a reputation for being thorough in assessing organisational performance and being able to deliver robust and comprehensive project implementation solutions.

Vative Lean and Six-Sigma Excellence Coaches are seasoned professionals with a unique combination of academic and trade backgrounds. This blend of skills ensures that the solutions offered are simple, effective and realistic. Vative's experience across all industries and company sizes allows for a flexible approach to suit a variety of business needs. With many years of collective experience in a multitude of industries, Vative have developed a comprehensive tool kit comprising of a range of training programs and project services that enable fast and effective delivery of solutions to clients. All programs and services are centered on best practice Lean and Six-Sigma methodology and tools.

Headquartered at Glen Waverley, Melbourne, Australia, Vative have installed state based teams across Australia to provide business assistance services via traditional "fee for service" avenues or via a range of Federal & State Government grants.

Vative have also developed Lean and Six-Sigma programs which are certified to CRICOS international standards. This enables co-certified programs by the Lean Six-Sigma Society of Professionals (LSSSP) and Vative to be rolled out and delivered across organisations throughout Australasia.

Vative programs and services are designed to assist clients in multiple industries including:

- ✓ Manufacturing
- ✓ Food Processing
- ✓ Logistics & Warehousing
- ✓ Maintenance
- ✓ Administration
- ✓ Finance
- ✓ IT & Communications
- ✓ Mining
- ✓ Health Care
- ✓ Construction

Note: Vative programs and services are not limited to the above industries only. For more information, contact Vative directly to find out more on how our skills and capabilities can be applied to any industry and organisation.

Vative provide Lean and Six-Sigma certified training programs in all capitals and regional centres across Australia – these programs are funded through Federal training incentives, and are designed to be integrated into other Federal and State Government grants.
