

Funded Lean Six Sigma Business Improvement Program

Competitive Systems and Practices is a qualification which is the core of Vative Services. Vative have 9+ years of experience in delivering Lean Six Sigma nationally certified qualifications to businesses across Australia.

Our programs have been successfully implemented in both Large Multi-National Organisations and Small to Medium Enterprises (SME) with a proven track record of 2100% Return On Investment (ROI) together with a positive Cultural shift. This makes Vative a positively geared investment and the partner of choice for any business wanting to use Competitive Systems and Practices as the vehicle to drive a government funded business improvement training initiative.

Vative cover a full range of qualifications providing businesses with integrated Lean Six Sigma business improvement results in a holistic sustained strategy.

Advanced Diploma – MSS60312
Leaders, Strategists and Change Agents

Diploma – MSS50312
Leaders, Managers and Continuous Improvement Practitioners

Certificate IV – MSS40312
Team Leaders and Project Managers

Certificate III – MSS30312
All team members

With representatives in Victoria – Melbourne, NSW - Sydney – Hunter Valley, WA – Perth, QLD – Brisbane, SA – Adelaide and Tasmania – Hobart we are able to cater for your national standardised roll out strategy.

Our team of 32 Competitive Systems and Practices training facilitators and business coaches have collective experience from Toyota, Bosch, Ford, Motorola Lean Six Sigma manufacturing industries and also specialists from Lean Healthcare, Lean Logistics, Lean Office, Lean IT, Lean Sales and Lean Mining.

Our programs are delivered by our own team with materials developed by Vative. Qualifications are issued and funded in conjunction with partner Registered Training Organisations (RTO) to ensure your funding is converted to maximum business outcomes with the best efficiency. Vative RTO partners are audited for Lean capability and regulated for efficiency in converting funding into service. [Contact Us](#) to obtain an obligation free funding evaluation.
